“ Joyce, John and family... I am so very sorry to hear of Alice's passing. It has been a very difficult year for your family. I am hoping the knowledge that your Mom and Dad are together again will ease the pain. May your memories make this process easier. Thinking of you all and sending you strength.

“ Joyce, John and family; we are sad to learn of your mother's passing. She will be missed. She was a lady with "spunk!" She always "told it like it was" with "no holds barred." I will always remember making sauerkraut in her back yard on a beautiful autumn day. Alice loved her flowers and always kept a beautiful yard. One of her favorite things to do at Fork Lake was berry picking. Linus and I still talk about the fun we had camping in her yard at the lake. We will treasure those memories. You have our deepest condolences. Remember the good times.
